CONTENTS

Topics	Page no.
1. Head Registering Officer (HRO)	1-5
2. Registering Officer (RO)	6-10
3. Head Registering Officer and Registering Officer (after DA remarks)	11-13
4. DSC Registration Process	14
5. FAQ	15-19

Head Registering Officer (HRO):

The Head Registering officer (HRO) can process the applications like RO by doing different actions like approve applications, reject applications, revert applications, re-route applications if the applications have been submitted to the wrong office, forward applications to other Registering Officers (RO) under the office for reviewing, forward the applications to DA for reviewing. The applications forwarded by the HRO to DAs shall be processed by the HRO. The HRO can even pull back the applications from ROs if the respective RO is not available.

For HRO:

- i. Navigate to the homepage.
- ii. Locate the "Login" button to the far right side of the navigation bar.
- iii. From the menu, select "Official Login"
- iv. **Credentials:** Enter the following credentials:

- **Username:** Enter your username.
- **Password:** Enter your password.
- **Captcha:** Please enter the captcha appearing on the screen.
- **Button**
 - **Log in:** Click here to login

- v. **OTP:** Enter the One-Time Password (OTP) you have received in the registered phone number.

- **Button**
 - **Verify OTP:** Click here to proceed.

- vi. **Accessing the Application:**

- After logging in, HRO will see the list of applications from new registration, onboarding registrations, renewal and resubmitted applications on the dashboard.

Note: The HRO will forward the applications to other Registering Officers (RO) for further process or he can also pull back the applications from the ROs if an RO is transferred, and his/her account is deactivated. The RO shall be replaced by HRO for sending back the application.

- vii. **Navigating the Application Options:** Inside the Applications in the side Navigation bar, there are several options available for the Head Registering Officer (HRO):

- **Application Received:** Here HRO will receive all the new applications (new registration and onboarding registration, resubmitted applications).

- Click on the **View** button next to the Application Category to preview the application of the worker.

- At the end of the preview application form there are several buttons available for the HRO.

- Buttons:**

- **Approve:** If the application is correct, the HRO approves it by giving Remarks and click submit.

Note: The application will be approved successfully only after successfully signing (Digital Signature) by HRO. The process of Digital Signature is explained in the later part of the manual.

- **Reject:** The HRO can reject the application if there is no chance for correcting it by selecting reason, giving Remarks and click submit.

Note: After the application has been rejected, applicant gets notification via sms.

DSC Registration Process

- Follow the instructions provided by the installer to complete the installation of Java on your system.
 - Download Digital Signature Software:
 - Click [here](#) to download the Digital Signature Software for Windows.
 - Install Digital Signature Software:
 - Unzip the downloaded file.
 - Open the NICDSign application.
 - It will redirect to download JAVA.
 - Install the Java.
 - Launch NICDSign.
 - Setup NICDSign:
 - Open Windows Explorer and navigate to the USB drive for NICDSign.
 - Launch the setup application.
 - In the setup, select "Private CSP."
 - Configure NICDSigner:
 - Open NICDSigner settings from the system tray (bottom right corner of Windows).
 - Right-click on NICDSigner and select "Settings."
 - Use the folder icon to select the Token Driver.
 - Navigate to C://Windows/system32.
 - Select eps2003csp11v2.dll and click "Open."
 - Save the settings.
 - **For Chrome Browser - chrome://flags/#block-insecure-private-network-requests**
 - Register DSC on the Portal:
 - Log in to the ABOCWWB portal as an RO.
 - Go to "Digital Signature" and click on "DSC Registration".

FAQs

- 1) 500 SERVER ERROR.

Answer: Internal server error.

- 2) I applied for the labour card under the NIRMAN SAKHI scheme. During my first attempt, I reached the payment stage, I did not complete the payment. Now, when I try to make the payment, I am getting the error "Failed to load Aadhaar data."

Answer: Failed to retrieve eKYC data from aadhaar data vault. Please try again in some time.

- 3) Showing this problem again and again, kindly advice.

Answer: Please install the NICDSign properly as per DSC Manual.

- 4) Captcha image not shown in official login.

Answer: Please refresh again.

5) Whenever we try to click the total application received, it is showing as forbidden and nothing in the dashboard working.

Answer: Permission Error. Please contact admin to set the permissions.

6) As & when the beneficiary desired to pay subscription fee through worker' log in, the selected ID card shows invalid. Kindly resolve.

Answer: This is Acknowledgement no., not ID card no. Please put the acknowledgement no. in the **Track Application** section and check. A download ID card link will appear.

7) Validity date inputs are wrong.

Answer: Validity date inputs are given by RO at the time of approval. Maybe RO mistakenly entered wrong date.

8) EShram is newly registered. The issue remains.

The screenshot shows a registration form for EShram. The user's name is Nirananda Bhadra, C/O: Rangi Bhadra, Male, born on 1983-07-20. The age is 42. The eShram Number (UAN) is 783772917353, with a 'Validate' button next to it. The marital status is Married, and the category is SC. The contact number is 763768416. The education level is 10, and the blood group is A+. The email ID is entered as 'Enter email id'. The date of retirement is 20-07-2043. The user has a PAN number (Yes) with the number EBLPB5085G. They are not already registered with the other State BOCW Board? (No). They have a Ration Card (Yes). The ration card number is 182984873, and the ration card type is Priority Household (PHH). There is a 'Save User Details' button at the bottom.

Answer: This is a browser caching issue. Please perform a hard refresh by pressing **Ctrl+Shift+R** and try again.

9) Not able to forward the new application to DA. Facing the issues for couple of days. Please look into the matter.

The screenshot shows a dialog box titled 'Forward New Applications'. It contains a text input field for 'Number of Applications you want to send' with the value 87. Below this, it says 'Total no of applications: 87'. There are two dropdown menus: 'Choose Role' with 'Dealing Assistant' selected, and 'Choose Username' with a blank selection. There is a text area for 'Enter Remarks for review'. At the bottom, there are two buttons: 'Close' and 'Submit'.

Answer: Please Contact the admin to set the permissions correctly.

10) I am not able to put the digital signature as the page is showing unresponsive again and again.

Answer: Please Wait.

- 11) When I use the sign worker I'd card button to sign the application, the sign doesn't appear. Every time it shows in same ways. It would be good if concern person let me know how to rectify it.

Answer: Enter DSC password. By default password is: 123456789

- 12) It is seen in the Nirman Sakhi portal we have identified an issue with the RO login. How the workers can download their cards by themselves? Earlier during initial days the facility was available with RO log in. Kindly inform.

Answer: After final approval of the application worker will get a sms with registration no. Using that no. they have to login in our system and pay subscription fees. After that they can download the ID Card.

- 13) Failed to load application

Answer: Please try again in some time.

14) Is there another way as I have not yet got my DSC?

Answer: Without DSC you cannot sign applications. Please contact the department.

15) Can't upload the Digital Signature.

The screenshot shows a web form titled 'Add/Modify Digital Signature'. It contains the following fields: 'Name' (text input), 'Serial Number' (text input), 'Valid from' (date input), 'Valid to' (date input), 'Certificate' (text area), and 'Status' (text input). A blue button labeled 'Save/Update' is located at the bottom left of the form.

Answer: Please install the NICDSign properly as per DSC Manual.

16) After approving unable to download any card.

The screenshot shows a web application interface for 'APPLICATIONS / APPROVED'. It includes a filter section with 'Registration Status' set to 'Approved' and 'Filter By Date' from '11-Dec-2024' to '20-Jan-2025'. Below the filter is a table with the following data:

Sl. no	Application No	Submitted On	Status	Application Category	View
1		18-01-2025	Approved	Already Registered	

At the bottom, it says 'Showing 1 to 1 of 1 entries' and has 'Previous' and 'Next' buttons.

This is the last status downloaded

Answer: ID Card can be downloaded only for onboarding applications.
